Mena

Our story

Tradition, originality and taste are our trademarks, and, since 1979, our concern is to bring the best of Brazilian gastronomy with a special touch of the house and enormous versatility.

Among the highlights of the menu, you will be amazed by the famous and exotic portions of frog (fried or breaded), fish in the ember, and our arugula salad with special seasoning. Not to mention the premium cuts, which wins the hearts of meat lovers. Also, our wines and beers harmonize with our dishes to perfection.

From appetizers through desserts, options for every taste and every moment, with your family or friends.
